

TRANSMISSION PAN 6R80

2009-2014 FORD F-150 TRUCKS

FITS: FORD F-150 TRUCKS
11-14 V8-5.0L/6.2L
V6-3.7L/3.5L (tt)
09-10 V8-4.6L/5.4L W/6R80

FEATURES & BENEFITS

Internal and External Fins

Internal and external fins transfer heat from the fluid to the ambient air for maximum cooling.

Magnetic Drain Plug

This system incorporates a large neodymium magnetic drain plug that captures loose particles for maximum transmission protection and can be tightened using a 1/2" square socket drive.

Hassle-Free Installation

Transmission pan comes complete with all necessary hardware to bolt directly to factory location for a hassle-free installation.
